Comment. These shipments had previously been reported	25X1
with Rathenow as receiving station. It had already been assumed that the trains had been sent on from Rathenow. It is fairly definitely believed that the trains carried engineer units of the Fourth Gds Mecz Army, presumably of the 6th Gds Mecz Div.	25X1
Comment. The train, which is reported for the first time, possibly carried signal vehicles of the GOFG.	
3. Comment. the train came from Aken.	
4. Comment. went to Pasewalk and Prenzlau respectively.	25X1 25X1
Loewenberg was probably only crossing station between the Berlin and Creifswald railroad districts.	นี
5. Comment. On 4 September, the loading of tanks of the 6th Gds Mecz Div was observed at the Templin railroad station.	25X1
